Our listeners . . .

- are among the most educated and affluent audiences in all media
- place a high value on creativity, curiosity, and social consciousness
- have a strong attachment to nature and the environment

- median age: 51
- median household income: $102,300
- as likely as the average U.S. adult to work in top management
- as likely as the average American to have a graduate degree
- more likely to own at least $150,000 in investments

125%
Public radio listeners value companies and organizations that show an interest in their community and that support the public radio station they rely on.

83% take action in response to something heard on NPR

88% more likely to buy from companies that support public radio than from companies that advertise on commercial radio

71% have a more positive opinion of sponsors that support NPR

“It really is truly effortless to partner with WFDD. They are tireless in their efforts in helping us meet our needs to create awareness of our programs . . .”— Dr. Sandy Vannoy, Associate Dean for Graduate Programs and Research for the Walker College of Business at Appalachian State University

“I think this is . . . a larger investment; it’s not only just about promoting your organization in a good and thoughtful way . . . it’s about . . . promoting the overall community . . . so anytime we’re able to do that, and your name’s associated with good organizations, that works out for everybody.”— Mike Wells, Wells Law, PLLC

“By underwriting for WFDD we’re supporting our local public radio station, and, as a non-profit, of course we have limited funds. Knowing that I can partner with WFDD and my [messages] are getting to our supporters, this is why we choose to partner with WFDD.”— Sheila Cauthen, Director of Marketing at the Greensboro Symphony

Get Inspired.
