Financial Statements

June 30, 2022

(With Independent Auditors' Report Thereon)

KPMG LLP Suite 800 500 W 5th St Winston-Salem, NC 27101

Independent Auditors' Report

The Board of Trustees Wake Forest University:

Opinion

We have audited the financial statements of WFDD-FM Radio, a public telecommunications entity operated by Wake Forest University, which comprise the balance sheet as of June 30, 2022, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of WFDD-FM Radio as of June 30, 2022, and the change in its net assets and its cash flows for the year then ended in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of WFDD-FM Radio and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WFDD-FM Radio's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WFDD-FM Radio's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WFDD FM Radio's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited WFDD FM Radio's 2021 financial statements, and we expressed an unmodified opinion on those audited financial statements in our report dated November 19, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Winston-Salem, North Carolina November 28, 2022

(A Public Telecommunications Entity Operated by Wake Forest University)

Notes to Financial Statements

June 30, 2022

(1) Organization and Summary of Significant Accounting Policies

(a) Description of Entity

WFDD-FM Radio (WFDD) is a public telecommunications entity operated by Wake Forest University (the University). The public media outlet serves the 32–county Winston-Salem, Greensboro, High Point market with a primary format of news and information. Its digital channels, which are also streamed worldwide on the Internet, feature classical and eclectic music formats.

(b) Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis in conformity with U.S. generally accepted accounting principles.

Net assets are reported based on the existence or absence of donor-imposed restrictions and serve as the foundation of the accompanying financial statements.

Accordingly, net assets of WFDD and changes therein are classified and reported as follows:

- Without donor restrictions net assets that are not subject to donor-imposed stipulations. All
 revenues, gains and losses that are not subject to restrictions by donors are included in this
 classification. All expenses reduce net assets without donor restrictions.
- With donor restrictions net assets subject to donor-imposed stipulations that will be met either by
 actions of the University and/or the passage of time. Generally, the donors of these assets permit
 the University to use all, or part of, the income earned on related investments for general or specific
 purposes.

Contributions which impose restrictions that are met in the same fiscal year they are received are reported as increases in net assets without donor restrictions. Expirations of restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions in the statement of activities.

(c) Contributions and Contributions Receivable

Contributions, including unconditional promises to give, are recognized as revenue in the period received. Unconditional promises expected to be collected in future years are recorded at the present value of expected future cash flows discounted at an appropriate discount rate commensurate with the risks involved. Amortization of discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. An allowance for uncollectible contributions receivable is provided based upon management's judgment considering such factors as prior collection history, type of contribution, and nature of fund-raising activity. At June 30, 2022, gross contributions receivable of \$2,143 are recorded net of uncollectible accounts of \$1,479. At June 30, 2021, gross contributions receivable net of uncollectible accounts were immaterial and have not been reported.

Notes to Financial Statements

June 30, 2022

(d) Property and Equipment

Property and equipment are recorded at cost or, in the case of donated property, at the estimated fair value at date of receipt. Depreciation is provided over the estimated useful lives of the respective assets using the straight-line method. The estimated useful lives for studio improvements and other equipment range between 5 and 40 years. Expenditures for repairs and maintenance are charged to operating expense as incurred.

(e) In-Kind Contributions

In-kind contributions are recorded as revenue and expense in the accompanying statement of activities at estimated fair value.

(f) Donated Facilities and Administrative Support

Donated facilities from the University consist of office and studio space together with related occupancy costs and are recorded in revenues and expenses at estimated fair rental values. Administrative support from the University consists of costs and expenses incurred by the University on behalf of WFDD.

(g) Functional Expense Classification

Expenses are reported in the accompanying statement of activities based on their functional categories. WFDD's primary program services are broadcasting and programming and production. Expenses reported as fund-raising, management and general, underwriting and grant solicitation, and program information and promotion are incurred in support of the primary program services.

(h) Use of Estimates

Management of WFDD has made a number of estimates and assumptions relating to the reporting of assets, liabilities, revenues, and expenses and the disclosure of contingent assets and liabilities to prepare these financial statements in conformity with U.S. generally accepted accounting principles. Actual results could differ from those estimates.

(i) Income Taxes

WFDD is a division of the University. The University is a tax-exempt organization as described in Section 501(c)(3) of the Internal Revenue Code (the Code) and is generally exempt from federal income taxes on related income pursuant to Section 501(a) of the Code. Accordingly, no provision for income taxes is made on the financial statements.

(j) Corporation for Public Broadcasting Community Service Grants

The Corporation for Public Broadcasting (CPB) is a private, nonprofit grant-making organization responsible for funding more than 1,000 television and radio stations. CPB distributes annual Community Service Grants (CSGs) to qualifying public broadcasting entities. CSGs are used to augment the financial resources of public broadcasting entities and thereby to enhance the quality of programming and expand the scope of public broadcasting services. Each CSG may be expended over one or two federal fiscal years as described in the Communications Act, 47 United States Code

Notes to Financial Statements

June 30, 2022

Annotated, Section 396(k)(7). In any event, each grant must be expended within two years of the initial grant authorization.

According to the Communications Act, funds may be used at the discretion of recipients for purposes relating primarily to production and acquisition of programming. Also, the grants may be used to sustain activities begun with CSGs awarded in prior years.

Certain general provisions must be satisfied in connection with application for and use of the grants to maintain eligibility and meet compliance requirements. These general provisions pertain to the use of grant funds, record keeping, audits, financial reporting, mailing lists, and licensee status with the Federal Communications Commission.

The CSGs are reported on the accompanying financial statements as increases in net assets with donor restrictions until satisfaction of the time and purpose restrictions, after which they are reported as a release from net assets with donor restrictions and an increase in net assets without donor restrictions.

(k) Subsequent Events

WFDD has evaluated subsequent events (events occurring after June 30, 2022) through November 28, 2022, which represents the date the financial statements were available to be issued and determined that all significant events and disclosures are included in the financial statements.

(2) Liquidity and Availability

Financial assets available for general expenditure within one year of June 30 are as follows:

	 2022	2021
Cash	\$ 3,681,544	3,355,138
Accounts receivable, net	 163,373	117,602
Total financial assets available within one year	\$ 3,844,917	3,472,740

(A Public Telecommunications Entity Operated by Wake Forest University)

Notes to Financial Statements

June 30, 2022

(3) Grants by the Corporation for Public Broadcasting

WFDD receives a CSG from the CPB annually. In addition, in FY20, WFDD received a Stabilization Grant from CPB as a part of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). The grants from the CPB received and expended during the past two fiscal years were as follows:

		Grant	Exper	nded	Unexpended balance at June 30,	Unexpended balance at June 30,
Grant year	Description	received	2022	2021	2022	2021
2022	Community Service Grant \$	215,961	215,961	_	_	_
2021	Community Service Grant	219,141	_	219,141	_	_
2021	Stabilization Grant	188,277		188,277		
	\$	623,379	215,961	407,418		

(4) Retirement Plans

WFDD's employees are eligible to participate in the University's defined contribution benefit plan. In addition, the University sponsors a defined benefit postretirement medical and dental plan that covers all of its full-time employees (including WFDD employees) who elect coverage and satisfy the plan's eligibility requirements when they retire.

It is not possible to present separately the employer contributions under the defined contribution benefit plan or to present separately the net postretirement benefit cost or the actuarially determined accumulated benefit obligation for WFDD for the postretirement medical and dental plan because no determination has been made of the allocation of such amounts between the University and WFDD.

(5) Functional Expenses

Expenses are reported in the accompanying statement of activities based on their functional categories. WFDD's primary program services are broadcasting and programming and production. Expenses reported as fund-raising, management and general, underwriting and grant solicitation, and program information and promotion are incurred in support of the primary program services.

Notes to Financial Statements

June 30, 2022

Functional expenses for the years ended June 30, 2022 and 2021 are categorized as follows:

		2022			
	_	Program services	Supporting services	Total	
Salaries and wages	\$	651,481	583,278	1,234,759	
Employee benefits		184,215	167,016	351,231	
Depreciation and amortization		56,622	—	56,622	
Services		127,265	82,316	209,581	
Other operating expenses	_	1,461,391	329,053	1,790,444	
Total expenses	\$	2,480,974	1,161,663	3,642,637	

		2021				
		Program services	Supporting services	Total		
Salaries and wages	\$	578,939	549,576	1,128,515		
Employee benefits		163,817	154,005	317,822		
Depreciation and amortization		48,461	_	48,461		
Services		96,464	111,568	208,032		
Other operating expenses		1,363,330	271,341	1,634,671		
Total expenses	\$	2,251,011	1,086,490	3,337,501		

(6) Net Assets With Donor Restrictions

Net assets with donor restrictions consist of gifts received for donor specified programming and support of the radio education initiatives.
